

Ultramagic UK Grass Roots Balloon Meet 2018 7th – 9th September 2018

Introduction

The 2018 annual Grass Roots meet will be held at Bidford Gliding Club, Bidford Airfield, Honeybourne Rd, Bidford-on-Avon B50 4PD. This privately-owned airfield and flying club (www.bidfordglidingandflyingclub.co.uk) is run by Bidford Gliding Club. This event is being organised by **Grass Roots Ballooning Limited**.

The event is being run in partnership with balloonists and the flying club.

As usual, as part of the entry requirements we will be asking you to volunteer to fly a farmer and there may be opportunities to do 'swaps' with the flying club pilots.

We would like as many pilots and balloons as possible to participate and create a stunning grass roots flyout over large cut fields on the following slots:

Friday 7th September - evening

Saturday 8th September - morning and evening.

Sunday 9th September - morning.

Food will be available from Friday evening and through the weekend. Bacon butties etc will be served on the Saturday and Sunday mornings. Bar facilities will also be available.

Please encourage your fellow aeronauts to sign up - we want all types of balloons including hoppers and shapes - this is a rare opportunity to fly from a large, fun, grass roots event.

We also encourage PUT's to fly from this event and anticipate holding the traditional 'tether school' so that an instructor can sign off the tether for their PPL(B).

Seize the moment!!

Further updates will be sent by email to those that have expressed their interest or registered for the event. Pilots must be registered by completing the attached Registration Form and signing the declarations.

Event Website

Please refer to our website www.grassrootsballooning.org.uk for more information and updates.

Entry Fee

The entrance fee is £40 per balloon team.

Entries must be received by 15th August 2018

Decision to fly

The final decision as to whether to cancel or restrict flying will be made just before each briefing. Flying will only take place if the conditions are deemed suitable.

Should the weather forecast imply that conditions are wholly unsuitable for flying on the weekend 7th - 9th September, we will roll the event 2019

We will endeavour to give 48 hours notice if the event is called "on" or "off" by e-mail and announcement on our website

Insurance

All pilots must sign the attached declaration that they carry insurance which meets current legal requirements.

Maps

Bidford Airfield is on OS map 150. Map 151 will also be required. Fully marked maps will be on display.

Other Issues

- We will have refuelling facilities
- Tethering and balloon inspections will be allowed with the permission of the event organiser
- Overnight camping and caravans will be permitted and are included as part of the entry fee
- Limited Shower facilities may be available
- After each flight we ask that to give a customary gift (typically a bottle of wine) to the landowner/farmer when you land.

Location and Directions

We look forward to welcoming you at Bidford Gliding Club in September!!
